## IS B&FC THE PLACE FOR ME?

We get it. Deciding what to do after you finish school isn't always easy. You might feel pressured to follow your friends. You might not even know what you want to do next. Or know exactly where you want to be, just not sure how to get there.

At Blackpool and The Fylde College, we want you to make the right decision. Not for your friends. Not because someone else thinks you should. But because it's right for you. And because it will take you to where you want to be.

46

Joining the business course at B&FC was one of the best decisions I've made. As soon as I joined I had plenty of support and the feedback I needed to get the highest grade possible."

Jake Reed, Business Management

IN HIGHLY SKILLED INDUSTRIES EARN
MORE THAN £33,000 — COMPARED
WITH JUST 15% NATIONALLY

## WHAT ARE MY OPTIONS?

AT B&FC, WE HAVE THREE ROUTES TO CHOOSE FROM:

- T LEVELS
- DIPLOMAS
- APPRENTICESHIPS

The main difference between B&FC qualifications and A Levels is the focus on a single subject area. You'll develop wide-ranging knowledge and industry-relevant skills which will prepare you both for work and for further study.

One of the other advantages of studying here is that you can resit your maths and English GCSEs (if you need to) alongside your chosen course rather than having to repeat a year separately as you might have to do elsewhere.

T LEVELS AND LEVEL 3 TRIPLE DIPLOMAS CAN BOTH LEAD TO DEGREE LEVEL STUDY BAFC PROVIDE INVALUABLE WORK EXPERIENCE FOR 16-18 YEAR OLDS, HELPING THEM BUILD EMPLOYABILITY SKILLS AND WORKPLACE CONFIDENCE OUR PERSONAL
DEVELOPMENT CURRICULUM
(PDC) OFFERS WRAPAROUND
SUPPORT TO COMPLEMENT
YOUR ACADEMIC STUDIES

INDUSTRY STANDARD FACILITIES THAT TAKE LEARNING TO THE NEXT LEVEL

The government is putting a real emphasis on professional and technical education and encouraging everyone to develop work-based skills that can support the economy.

That's why courses which combine genuine industry experience with academic study are becoming increasingly popular. It's also why more people are choosing qualifications like degree apprenticeships over traditional degrees. You still graduate with a degree level qualification, but with oodles of work experience, three years' salary and, even better, no student debt.

At B&FC, we realise that success isn't all about academic attainment which is why we offer a broad range of activities to enrich your College experience, broaden your horizons and provide the skills that will help you progress in every area of your life.

If your parents aren't sure that Blackpool and The Fylde College is right for you, then bring them to one of our Open Events. There's no substitute for seeing in person everything the College has to offer and having the opportunity to speak to our industry-experienced tutors.

## WHAT ARE T LEVELS?

If you're academically strong and have a skilled career route in mind, a T Level will give you a head start in your chosen industry.

T Levels are a new 2-year qualification that lead to university, skilled employment and higher/degree apprenticeships. They've been designed with employers and businesses to provide the skills that industry needs, which means you get to play a key part in shaping the future of the UK economy.

### **SUBJECT AREAS AVAILABLE:**

Digital, Catering, Creative Arts, Construction, Business and Finance, Education and Childcare, Hair and Beauty, Health, Science, Engineering

### SUITABLE IF YOU ARE ACADEMICALLY STRONG WITH SPECIFIC CAREER GOAL

### BREAKDOWN:

2 years

80% college-based

20% work-based (at least 315 hr/9 week work placement)

### **EQUIVALENT TO:**

Distinction grade equivalent to 3 As at A Level

### **ENTRY REQUIREMENTS:**

5 GCSEs at grade 4 and above, including English and maths

### ASSESSED BY:

Exams and practical skills tests

### **AFTERWARDS:**

Skilled employment/ Higher or degree apprenticeship/University

# HOW DOES A DIPLOMA WORK?

If you like the sound of fewer exams, a chance to gain industry experience and achieve a qualification that's equally valued by employers and universities, a Diploma could be the right choice for you.

There are three types of diploma available. Which one is right for you will depend on what GCSE results you've achieved.

**Triple Diplomas** take two years to complete, are equivalent to 3 A Levels and carry the same UCAS points. They also provide a real depth of knowledge in a particular subject area.

**Level 3 Diplomas** are equivalent to 2 A Levels and provide employment-focused skills and knowledge, allowing you to progress into employment or higher level study.

Level 2 Diplomas only last one year and allow you to build up a strong foundation of knowledge in your subject area of choice. Many of our specialist courses start at Level 2 to allow students to build the technical knowledge required.

WE OFFER DIPLOMAS IN ALL OUR SUBJECT AREAS

### SUITABLE IF YOU ARE STRONGLY Interested in a specific subject

### BREAKDOWN:

2 years

mainly college-based

20 hr work placement (unless differently specified on an individual course)

### **EQUIVALENT TO:**

Level 3 Triple Diploma = 3 A levels Level 3 Diploma = 2 A levels

### **ENTRY REQUIREMENTS:**

4 GCSEs at grade 4 and above

### HOW YOU'LL BE ASSESSED:

Exams and practical skills tests

### **AFTERWARDS:**

Skilled employment/Higher or degree apprenticeship/University

## CAN I DO AN APPRENTICESHIP?

Want to earn and learn at the same time? If you are keen to start your career straight away, an apprenticeship could be for you.

First, you will need to find an employer willing to offer you a place on an apprenticeship. You can check out current vacancies on our website and speak to our Apprenticeship Team who can help you to find a suitable match.

Once on your apprenticeship, you'll spend 80% of your time at work and 20% in off-the-job training. You will receive a personalised training plan together with your own personal skills coach.

Taking about 18 months to complete, you will be assessed by a combination of work observations, tests and a portfolio of evidence you will need to compile during your apprenticeship programme.

Afterwards, you might want to consider doing a higher or degree apprenticeship which will take your skills and knowledge to the next level.

### **SUBJECT AREAS AVAILABLE:**

Accounting, Construction, Engineering, Catering, Hair and Beauty, ICT, Automotive, Business Studies, Care, Welfare and Education, Lab Technician, Digital Marketing, Junior Estate Agent

you to acquire all the key skills and

qualifications that you need for an

apprenticeship programme.

FIND OUT MORE BLACKPOOL.AC.UK /SUBJECT/APPRENTICESHIPS

SUITABLE IF YOU WANT TO START WORK AND EARN A WAGE IMMEDIATELY WHILST STILL HAVING THE OPTION OF GOING ON TO FURTHER STUDY

### BREAKDOWN:

Approximately 18 months

80% work-based

20% college-based

### FOLIVALENT TO-

Intermediate Apprenticeships are equivalent to GCSEs and Advanced Apprenticeships are equivalent to A levels

### **ENTRY REQUIREMENTS:**

Have an employer who is willing to accept you on an apprenticeship. We may be able to help you secure a position if you don't already have one.

### HOW YOU'LL BE ASSESSED:

Observations, tests and a portfolio of evidence

### **AFTERWARDS:**

Skilled employment/Higher or degree apprenticeship

### GET READY TO GO GREEN

### **GO GREEN? WHAT DO YOU MEAN?**

Issues like climate change, pollution and sustainability have hogged the headlines.

And green careers are big news too. In fact, some traditional jobs are already disappearing and being replaced by their green equivalents.

At B&FC, we are always thinking ahead which is why we've been introducing green ideas into our curriculum, looking at how we can be more sustainable as a College and developing programmes to support the green economy.

WE DON'T PRETEND TO BE PERFECT, BUT WE DO WANT TO BE GREEN.

AREAS LIKE CONSTRUCTION, ENGINEERING AND AUTOMOTIVE HAVE MODULES COVERING GREEN TECHNOLOGIES AND THE USE OF SUSTAINABLE AND RECYCLABLE MATERIALS.

### PLANT-BASED MEALS Introduced to student and staff canteen.

## DESIGNED TO WORK FOR YOU...

All our courses are designed to get you ready for your next step, whether that's further study or going into employment. That's why we co-create our course content with employers so that you get to learn all the skills you need to work successfully in your chosen industry.

To ensure you're learning the most up to date information and techniques, our tutors also regularly undertake industry training days to refresh the skills they already have from previous employment.

### WHAT'S MORE, OUR ESTABLISHED LINKS WITH OVER 1,800 EMPLOYER PARTNERS MEAN WE ARE ABLE TO OFFER INCREDIBLE INDUSTRY PLACEMENTS.

Designed to enrich the knowledge you acquire in the classroom, placements provide that all-important work experience to put on your CV and attract potential employers.

# ...BUT IT'S NOT ALL WORK, WORK, WORK

College shouldn't only be about assignments, coursework, and exams. It's about providing you with the skills to successfully negotiate the transition between education and work and to give you the support guidance and development you need to progress in your career. It's also about trying new experiences, making friends, creating memories and being active and healthy.

Throughout the academic year you will have access to and be encouraged to attend a wide range of experiences to broaden your personal development beyond your academic course and enable you to develop and discover new interests and talents.

DREAM JOB:

Wildlife Manager

## **NEXT STEPS:**

I'm heading off to study a degree in zoology at Myerscough College.

## CHOSE B&FC BECAUSE:

It offered the option to focus my studies on an area of specific interest to me. I've known I want to work with animals for some time so being able to concentrate on this was perfect for me.

## **BEST THING ABOUT STUDYING HERE:**

The small class sizes meant I got to know my fellow students and tutors really well. I also enioved the fact that the course was very hands-on.

### TOP TIP FOR NEW STUDENTS:

If you're passionate about a subject, pursue it. You'll find learning and progressing so much easier

FOR APPRENTICESHIPS VISIT:

**Deetray Jarrett** 

**COURSE:** 

**Level 3 Sport and Fitness** 

**SCHOOL:** 

Home-educated

**DREAM JOB:** 

**Pro cyclist** 

## **NEXT STEPS:**

I'm planning on pursuing my dream of becoming a professional road cyclist in France and competing in major cycling competitions as a sponsored athlete.

## **CHOSE B&FC BECAUSE:**

It offered the course I was really interested in. I've always liked sport and being active. I've cycled since I was little so it seemed very natural to choose this subject as the focus of my studies.

## **BEST THING ABOUT STUDYING HERE:**

The learning environment is fun and the tutors are really supportive.

## **TOP TIP FOR NEW STUDENTS:**

Get involved. The more you put into your studies, the more you'll achieve and the more support you'll enjoy.
