

# Senior Staff Remuneration Statement 2018/19

## 1. Background

- 1.1. The B&FC Corporation Board adopted *The Colleges' Senior Staff Remuneration Code*, published by the Association of Colleges, at its meeting on 3 December 2019. In doing so, the Corporation Board recognised the intention to demonstrate leadership and stewardship in relation to remuneration within further education institutions and recognised that adoption of the Code can help to protect the college's reputation and provide greater assurances to key stakeholders and partners, including the student community and wider society.
- 1.2. The Code recognises the need for the process of setting remuneration to be transparent and, as such, contains a requirement for each college to publish a readily accessible annual statement containing a number of prescribed matters. This statement is intended to satisfy those requirements.

## 2. Senior Post Holders

- 2.1. At B&FC, the Senior Post Holders within the remit of the Remuneration Committee are as follows:
  - (a) Principal and Chief Executive;
  - (b) Chief Operating Officer;
  - (c) Vice-Principal for Quality and Curriculum; and
  - (d) Clerk to the Corporation
- 2.2. During 2018/19, the role of Clerk to the Corporation was undertaken by a contractor and therefore the level of remuneration was not subject to review by the Remuneration Committee.

## 3. Policy on remuneration of Senior Post Holders

- 3.1. B&FC aims to ensure that key management personnel are remunerated at an appropriate level, taking into account relevant market conditions. Consideration is given to the organisation's ability to award any increase and the level of any B&FC-wide award already approved.
- 3.2. The table overleaf sets out the component parts of B&FC's remuneration package for executives which are all intended to help promote the long-term success of B&FC and to retain high calibre executives:

- 3.3. During 2018/19, the Remuneration Committee also had regard to the content of a letter from the Chief Executive of the Education and Skills Funding Agency (“ESFA”). In her letter, she wrote:

“Colleges need to demonstrate to stakeholders that decisions made on executive pay are evidence-based, proportionate and represent value for money. We have increased our requirements for disclosures around executive pay to support accountability and to help maintain public confidence and trust. I encourage you to consider adopting the Colleges’ Senior Staff Remuneration Code (developed by the Association of Colleges’ Governors Council) in deciding on fair and appropriate remuneration.”

#### **4. Choice of comparator colleges or organisations**

- 4.1. In making remuneration decisions, the Remuneration Committee’s discussions are informed by benchmarking data provided by the Association of Colleges as well as data published by the Education and Skills Funding Agency based on the annual accounts of all colleges. At its meeting in November 2019, the Remuneration Committee considered data from FY2017/18, i.e. the most recent available.

#### **5. Policy on income derived from external activities**

- 5.1. 48% of B&FC’s income in 2018/19 was derived from Government funding bodies, although reliance on education sector funding bodies has been decreasing over the past three years and is well below the sector average. B&FC actively seeks to diversify income streams to reduce this reliance even further.

#### **6. Pay multiple of the Principal and Chief Executive**

- 6.1. The Principal and Chief Executive’s basic salary as a multiple of the median of all staff in 2018/19 was 6.6 (2017/18: 6.7).
- 6.2. The Principal and Chief Executive’s total remuneration as a multiple of the median of all staff in 2018/19 was 6.0 (2017/18: 6.2).

#### **7. Explanation of any significant changes**

- 7.1. There are no significant changes requiring explanation.
